

Appendix 1B: Daily Risk Assessment ~ Location Specific

This form **MUST** be completed each time a PW is launched for guests or crew AND retained. If launched again in the same area either prepare new form if risks have changed or re-sign/date if unchanged

Date:		Time:	
Location moored (Record latitude & longitude if at anchor):			
Weather:			
Hazards in the area (eg: Rocks, shallows, other moored vessels etc):			
Operating Area (Draw a sketch of the area including any hazards present in the area. If relevant record the latitude & longitude of the 'corners' of the area. Attach a copy of Google Maps or a chart for the area if relevant):			

- | | |
|---|--------|
| Does the chosen Operating Area take account of all hazards? | Yes/No |
| Have risks detailed in main Risk Assessment been considered? | Yes/No |
| Are the weather and sea conditions appropriate for PWs to operate? | Yes/No |
| Have the relevant briefings been undertaken? | Yes/No |
| Has the <i>Operating Procedures Manual</i> been adhered to in all respects? | Yes/No |

Signature:		Name:	
-------------------	--	--------------	--

Relaunched into same location – risks and conditions are unchanged from documented above. Safety brief completed.
